EDUCATION DEPARTMENT.

Notification D. No. 58, dated 23rd December 1915.

It is hereby notified for the information of the public that applications for grants to private Industrial Schools already in existence or proposed to be started in the near future will be received by the Inspector-General of Education and considered subject to the following conditions:—

(1) That the school teaches an industry or industries approved by the Department to pupils who have completed an approved course of general instruction or are attending such a course in the same or other recognised school.

(2) That the workshops are sufficiently provided with appliances for elementary instruction in the industry or industries to which the school is devoted.

(3) That the teacher of each industry is sufficiently qualified.

The Industrial School, if recognized by the Department, will be entitled to a grant of Rs. 24 for each boy or girl above the age of ten years certified to have been in regular attendance for nine months and to have received instruction in the workshop for not less than 2 hours a day. But no grant will be paid on account of any boy or girl with whose general progress the Inspecting Officer is not satisfied. In lieu of the above grant, the Inspector-General may allow a grant equal to half the salaries paid to the Industrial teachers.

Applications for grants should be made on printed forms which can be obtained from the office of the Inspector-General of Education, Bangalore.

NOTICE.

An Educational Conference and Exhibition will be held at Tirthahalli on the 21st, 22nd and 23rd January 1916. All Education Officers and others interested in the progress of the country are requested to lend their support.
